Re: Invitation to the FIP World Congress Seoul 2017

Dear Chinese Pharmacists and Pharmacy Scientists,

The International Pharmaceutical Federation (FIP) is the global body representing pharmacy and pharmaceutical sciences, founded in 1912. Through our 139 national organizations, academic institutional members and individual members, we represent over three million pharmacists and pharmaceutical scientists around the world.

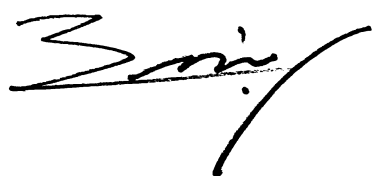

Korea Pharmaceutical Association (KPA) and Pharmaceutical Society of Korea (PSK) will host the 77th FIP World Congress of Pharmacy and Pharmaceutical Science in Seoul from September 10 – 14, 2017. During the FIP World Congress Seoul 2017, 78 Scientific Sessions, Council Meeting, Dean's Forum will be organized. We expect that 2,000 foreign pharmacists around the world, 10,000 Korean pharmacists and 2,000 students of College of Pharmacy will attend this Congress.

The theme of the Congress is "Medicine and beyond! The soul of pharmacy". We are sure that it will be a good opportunity for Chinese pharmacists/pharmaceutical scientists to attend FIP Congress. You can learn the recent studies of pharmaceutical science and the information on pharmacy practice in various areas. You can also establish a good networking with foreign pharmacists/pharmaceutical scientists from more than 100 countries. For your reference, we are enclosing a introduction slide of FIP Congress Seoul 2017 and 2nd Announcement, Dean's Forum Brochure. You can also get more information from the website-www.fip.org.

FIP and LOC invite you to the FIP World Congress Seoul 2017. In case of the registration fee, we decided a special group registration fee to Chinese pharmacists and pharmacy scientists. The registration fee is €650 for pharmacists and €250 for students. It is a special registration and its registration deadline is August 5, 2017. The registration due day is short- only 25 days left and therefore, prompt application would be grateful.
